- Pub. Hrng. LL#2, '87:** The Mayor requested the Clk. to read legal notice prior to opening public hearing on Local Law #2, 1987, re amending Chapter 27, "Water Service," of the Code of the Village of Palmyra. Mayor Strong stated that he had problem wth. Sect. 27-11 which states that "a member of the Board of Trustees of the Village of Palmyra and any official or employee of the Village of Palmyra may, at any time, enter any building....." re inspection of premises. Homeowners, he sd., have no protection, anytime - seven days a week - wld. rather see it read...."W&S Dept./Trustee-in-Charge.... during normal hrs." Trustee Elliott felt it shld. include Highway Supt. whose dept. does the work. He had problem wth. "during normal hrs." - doesn't always happen during "normal hrs." Mayor felt shld. be changed re "anytime - day or night." Mr. Elliott sd. in current law; Mayor sd. verbage shld. be removed....he added inspecting the pipes in event of major leak(s)...shld. not allow just "anybody" access. Mr. Elliott sd. it shld. include W&S Supt., HWay & Trustee-in-Charge - H. Kruger in chrg. of Water Dept., however, P. Retan, HWay Supt. in charge of "workers." Mr. Gilmore felt Bd. shld. look at something by way of permission - all possible steps of notifying the homeowners. Mayor sd. "under emergency condition(s)" - some restriction. "Emergency repair of leaks," per J. Elliott. He sd. that P. Retan wldn't go anyway unless Chief Henry went with him. More disc. re proposed changes. Bd. agreed. Sect. 27-11 to read...."Inspection of Premises. The W&S Supt., Trustee-in-Charge & Highway Supt. may enter any building or upon any premises where water service is furnished by the Village of Palmyra for the purpose of making any examination of the pipes, fixtures, equipment or meter for repair of leaks in an emergency." Lst. two lines of prior section, Sect. 27-9 contains typo - change frm. "said freezing and thawing"....to "said freezing and/or thawing."

The Mayor asked if there were questions frm. public - when there were none the Mayor read "Schedule of Rates & Charges." At 7:20 p.m. the public hearing was closed upon a motion by Trustee Frontuto; Trustee Elliott seconded. Voting "aye" were Trustees Frontuto, Elliott, & Gilmore. Carried.
