WCWSA USE AND OCCUPANCY PERMIT TRANSFER:

Pursuant to the Revocable Permit (permit #60-2-39) issued to the Village of Palmyra by the State of New York Department of Public Works, dated March 2, 1960; I am hereby requesting and authorizing the termination of the noted permit held by the Village of Palmyra.

The Permit noted above generally describes and conditions the use and occupancy of a plot of State Canal Lands approximately 40' wide and 360' long, running generally north and south from parcel 2932 (currently understood to be a Village parcel with tax account #65111-09-056642) to the south bank of the Barge Canal (at centerline station approx. 7290) across Canal Lands. The use of this plot of land is currently for the operation and maintenance of a stormwater pipe and wastewater treatment plant effluent pipe. Due to the recent purchase of the Village parcel (tax account #65111-09-056642) by the Wayne County Water and Sewer Authority (WCWSA) for the purpose of the construction of a new Regional Wastewater Treatment Facility on said parcel; the WCWSA now has the interest of the Permit noted. Therefore, the Village requests the termination of the existing permit upon the issuance of the new permit to the WCWSA.

A copy of the existing permit and the Warranty Deed is provided for your files. Please let me know if there are any questions or concerns with the above noted permission.

Motion for Mayor Husk to sign this letter and send to Canal Corp was made by Trustee Nolan, seconded by Trustee Perry. Vote, 3 ayes. CARRIED.
