**PRESENTATION:** Mayor Daly thanked everyone for coming and turned the floor over to Trustee Husk. Trustee Husk asked Jean Craft to come forward and proceeded with the following presentation:

“ When one thinks of Palmyra, whether it’s the Town or Village, there are many people who have touched the lives of our residents or have made an impact on the history of Palmyra. One only has to read *Images of America-Palmyra, N.Y.* to realize how many great people have molded what we call home.

Tonight it is a great honor to show appreciation and dedication to a couple that have given over 55 plus years in serving the people of Palmyra. Although we lost a true legend in the passing of Vince Craft, we still have a compassionate, dedicated and wonderful person in Jean. The people of Palmyra were and still are lucky to have the likes of the Craft name to serve them.

Vince and Jean were like two peas in a pod, but their pod was the Palmyra Fire Dept. and its Ambulance service. One could count on the Crafts to show up in the time of need.

It is an honor tonight, on behalf of the Palmyra Village Govt. to formally dedicate the meeting room at the Fire hall as the "Craft Banquet~Meeting Room." The two plaques will be placed for all to see, and to help show tribute to the Craft name.

Trustee Husk thanked all who donated and explained all donations received above and beyond the cost of the plaques will be donated to the Fire Dept. in Jean and Vince’s name. He also thanked Laurie at Custom Trophies for donating the plaque that will go over the entrance of the room. After unveiling the new plaques, Trustee Husk reported that Supt. Hopkins and the crew will install them as soon as their schedule permits.

**BUDGET WORKSHOP(cont.):** The tax levy will be \$1,293,789.00 (last year was 1,319,837). The Board took a final look at the Water and Sewer funds and decided to keep the rates flat. The Clerk Treasurer will advertise the public hearing for the next regularly scheduled Board meeting at 7:00 pm.
