

December 22, 2021

Dear Cuyler Street Residents:

The school and the Village have had concerns regarding the safety of the children with the current parking allowed on Cuyler Street. Due to these concerns, a local law has been changed regarding which side of the road will allow parking. This law will start to be enforced, Tuesday, December 28.

The following is where there will no longer be parking allowed.

East side of the street

From the South parking lot entrance located at 122 Cuyler Street to West Jackson Street.

West side of the street

From Main Street to 10 feet South of the crosswalk between 127-133 Cuyler Street.

This change will enable children to exit from their vehicles on the West side of the street without having to cross the road.

Thank you for your cooperation in keeping our children safe.
